Submitted to His Highness.

In Government Order No.G.28099-112/P;P.134-18-62 dated 18th June 1919, it was directed that the sale of ragi through Government depots be discontinued from the 20th June 1919 but that the arrangements to sell Burma rice at the Government depots be continued till the end of August 1919. The Deputy Commissioner, Shimoga, represents that the majority of the people in his district are living practically on Burma rice and if the arrangements to sell the same at Government depots be discontinued the public will be put to much inconvenience. The Food Controller is also of opinion that it is necessary to continue the arrangements till the end of December 1919, especially for the districts of Kolar, Shimoga and Bangalore. Orders have accordingly issued directing the arrangements to be continued throughout the State till the end of December 1919.

From

K. MATTHAN, Esq., B. A.,

Food Controller and Director of Civil Supplies in Mysore.

To

C. S. Balasundaram Iyer, Esq., B.A.,

Chief Secretary to the Govt. of Mysore.

Sir,

I have the honour to submit herewith a copy of letter No. H.C.6 (Rev) 18-19 of the 30th July 1919 from the Deputy Commissioner, Shimoga District, regarding the continuance of the sale of Burma rice at Government depots till December next. I agree with the Deputy Commissioner in considering that it is necessary to continue the present arrangement till December especially for the districts of Kolar, Shimoga and Bangalore.

I have the honour to be,

Sir,

Your most obedient servant,

Food Controller & Director.

KM/MPH.

Letter No. H.C.6 (Rev)18-19 dated 25th/30th July 1919, from the Deputy Commissioner, Shimoga District, to the Food Controller & Director of Civil Supplies in Mysore, Bangalore.

Adverting to Government Order No. G.28099-122/P.P. 134-18-662 dated the 18th June 1919, directing that the existing arrangements regarding the sale of Burma rice at the Government depots will continue only till the end of August 1919, I have the honour to state that such a step will cause serious inconvenience to the public. The majority of the people of this district are living practically on Burma rice and there is no likelihood of food grains grown locally being available to the public before December next, and it is doubtful whether in December the local paddy will be fit for use.

2. What little of the course malnad rice is now available is selling at 4 seers per rupee and if the Government depots are closed prices are likely to get up higher.

3. Further there are no local merchants to take up trade in Burma rice. Consequently the people will have to undergo great hardship and privation from September to December if the present idea to close the shops at the end of August 1919 is put into execution. The District Food Committee are also of the same opinion. I beg that the existing arrangements for the sale of Burma rice may kindly be continued till 31st December 1919.
